Crommelins Fire Fighting Pumps

Twin Impeller Petrol Models, these Crommelins Fire Fighting Pumps are a reliable pump to have on hand. Powered by SUBARU engines, you can rest assured that these pumps will give you top performance when you need it!

Pump:

- Cast aluminium alloy pump with 40mm (1.1/2") inlet and 3 way outlet, consisting of 1 x 40mm (1.1/2") outlet and 2 x 25mm (1") outlets, plus available with 2" inlet and 2" outlets.

Features:

- Cast aluminium impeller/s gives improved life
- Bolt on replaceable suction port so enabling easy and quick replacement if inlet cracked or thread is damaged
- Cast iron diffuser increases pump life and greatly reduces maintenance
- Metal (not plastic) delivery outlet caps
- High quality cast aluminium pump body, for longer life and less maintenance.
- Spark arrestor muffler
- Double fuel filter system to protect engine from any water or impurities
- A serviceable carburettor, not a "throw-away", reduces costs
- Double ball bearing crankshaft, increasing engine life
- Pointless ignition system, requires less maintenance, easier starting and more reliability
- Cast iron cylinder liner, extends engine life by allowing rebore.

Additionally:

- Available in recoil and electric start
- Diesel powered units also available
- Roll over protection frame available
- Hose kits available
- 2 year warranty on pump, 3 years SUBARU engine

I50HPROHC
