FIVE YEAR PUMP END WARRANTY ON ALL AUSSIE QUIK PRIME PUMPS

AUSSIE QUIK PRIME FIRE BUSTERS

Model Numbers: QP205SE/400
QP205SE/600
QP205SE/1000

Product Description:

Aussie Fire Busters are "slip on" fire control units designed to be self contained fire fighting units with the ability to also draw water from an external source if required.

All Aussie Fire Buster control units feature the Aussie Fire Chief fire pump, winner of the NSW Rural Fire Service contract for five years.

Available with a choice of Honda, Yanmar or Kubota diesel drives.

Applications:

- Fire fighting, mop up and general fire protection
- High pressure water transfer
- Spray irrigation
- High pressure spraying
- Sheep jetting
- Boom spraying
- Stock crate wash down
- Machinery wash down

Features

- Five year warranty on pump
- Fast self priming from 7.6 metres
- Replaceable suction port cover and discharge elbow
- Available with Honda four stroke petrol engines (two year warranty)
- Single piece, heavy duty closed impeller
- Three way outlet
- Aussie Billabong UV stabilized tank
- Mounted on sturdy gal steel base
- Rugged galvanised hose reel for safe storage of delivery hose
- Aussie Smart Valve easy suction switch from tank to external water source
- Aussie Fire Quencher hose kit complete with nozzle (1 x 6m of 50mm suction hose, 1 x 30m of 20mm discharge hose with jet spray nozzle)

Further details on the performance figures for the Aussie Fire Chief are available on the Aussie Quik Prime Fire Fighters spec sheet.

Five Year Warranty:

Aussie Quik Prime pumps carry a unique pump end five year warranty. The products are guaranteed to be free of faulty workmanship or material for a period of five years after the date of sale to the end user.

Only top quality genuine brand engines by reputable Japanese manufacturers are used. A two year engine manufacturer's warranty applies, administered by the engine manufacturer or it's duly appointed representative. All engines used by Australian Pump Industries are major international brands, serviced and supported not only in Australia and South Pacific but right throughout the
